## A BRIEF HISTORY OF THE COLLEGE

The long felt need of a college at Martandam resulted in the starting of Christian College in June 1964 by the Kanyakumari Diocese of the Church of South India. The Diocese, made available for this purpose 20 acres of land with some buildings in it as well as some financial assistance. The Diocese also set apart, sufficient extent of wet lands, as endowment to satisfy the University requirement. The annual income from the endowment as of today amounting to Rs. 21,750/- goes to the College. The public in and around Martandam, the parents, students and members of the teaching and non-teaching staff have taken keen interest in the growth of the College and contributed substantial amount at different times for its development.

With the permission of the Madras University the Pre-University class was started in 1964 with 171 students. The College was inaugurated on 6th Aug. 1964 by the then Bishop Rt. Rev I. R. H. Gnardon in the presence of a distinguished gathering. In 1965 June, the College was upgraded to degree level with Mathematics, History and Economics as major subjects. The strength of P. U. Classes was increased to five batches. From the academic year 1966-67, the College was affiliated to the Madurai University. During this year permission was granted for starting Physics as a major subject in the Degree Class. The number of P. U. C. batches rose to six. During 1967-68, Zoology and History with Tamil medium in the degree classes were started. The number of batches in P. U. C. rose to

eight. During 1971-72 Botany and English Literature were added as major subjects in the degree classes. The major subjects offered in the degree courses now are, Mathematics, Physics, Chemistry, Botany, Zoology, English Literature, Tamil Literature, History (in both English and Tamil media) and Economics. The College introduced semester system in degree classes from July 1976. Pre-University classes were shed from the College from 1979-'80 consequent to the introduction of H.S.C. in Schools. M. Sc. Physics was started during 1980-'81. M. Sc. Maths. was started during 1981-'82. B. Com was started during 1982-'83. M. A. History was started during 1983-'84. The present student strength is around 1400 with 105 teachers and 46 non-teaching members of the staff.

From 1977, College became co-educational and now there are about 450 women students in the College.

The main building programme got under way, with the laying of foundation stone on 15-1-1966 by Prof. T. P. Meenakshi Sundaram, then Vice Chancellor of the Madurai University. The ground floor of the main building which now houses the Physics and Zoology laboratories with five lecture halls and staff rooms in between was declared open by the first Moderator of the C. S. I. Rt. Rev. A. M. Hollis on 28-1-1970. By 1973, three more lecture halls were added in the first floor of this building. In 1977 two more lecture halls were added with a matching grant of Rs. 2.4 lakhs from the U. G. C. The library block was constructed at a cost of over Rs. 5 lakhs. Roof concrete and plastering of the South Eastern corner room in the first floor of the front building were completed in September 1982. The construction of the Western wing of the first floor (above the

Zoology block) was completed in March 84. Now the building installation and equipments in the College is worth about Rs. 35/- lakhs.

Such a quick growth within a decade was possible with the continuous and sustained interest shown by the public, parents, students and staff by their liberal contributions for the development. In the marvellous growth of the College, God has guided and blessed us immensely. With faith in Divine guidance and co-operation from the public, it is hoped that the College will be a large temple of learning in this rural area.

### THE COLLEGE SONG

We love this College we love it true,  
This Christian College of Martandam.  
I'm proud of her name and I'm proud of her fame.  
So join together and praise her name

For I am one with the College,  
That stands high, that stands high, that stands high  
I am one with the College  
That stands high, for wisdom and purity.

We kneel to God when we start each day,  
And seek His guidance to show the way;  
For wisdom comes with the fear of God  
And this she taught us, let praise her loud .....for.....

With diligence do we strive so hard  
To dispel darkness of ignorance  
Good men of our land, we taught to be,  
I'll carry her banner for all to see.... For.....

With FAITH in God we do look ahead,  
His grace will bless all our ENDEAVOUR  
In wisdom and POWER we are sure to grow,  
God's mercy is great and this I'll know ... For ...

#### **University rules regarding condonation of attendance**

In shortages of attendance up to 25% the Principal can grant condonation based on the merits of each case. For absence above 25% and upto 35% of the 90 working days in a semester fixed by University, the student should apply for exemption to the University in the prescribed form with fee of Rs 15/-.

In the case of shortage of attendance above 35% upto 50%, the student cannot appear in that semester but may be able to appear later, after making up the shortage in excess of 35%, in the same semester, getting the special permission of University, by submitting application along with a fee of Rs. 24/-.

Above 50% the whole semester is to be repeated.

Grant of condonation is not automatic nor a student claim it as a matter of right. Each case will be decided on its own merits, on the recommendation of the Principal.

## LIBRARY

### General Rules

Every student in College is eligible for membership of the Library. Each member is allowed to borrow one book at a time. The books borrowed should be returned to the Library within fifteen calendar days, failing which an overdue charge of 5 paise per day will be collected.

On production of the Identity Card, along with the receipt for fee last paid to the college, one Borrower's Ticket will be issued to each student for the purpose of borrowing books from the Library. Each one is responsible for any books borrowed on one's ticket.

Books are to be handled very carefully. If any book is damaged while in possession, it should either be replaced or its cost be paid by the member concerned.

Reference Book and periodicals are available only for reference in the Library.

Complete silence should be observed in and around the Library and reading rooms.

Students are required to maintain an atmosphere of study in the Library.

Departmental libraries will be managed by the concerned department.

## A NOTE ON SEMESTER SYSTEM

A Semester is a period of 90 working days from June ending in October and again from November and ending on 31st March. There will be 30 hours of work per week.

Evaluation is by both external and continuous internal assessment in the ratio 75:25 for theory and 50:50 for practical work. The external examination will be conducted by the University for each semester in November and April. There will be a separate paper minimum of 35% for a pass for each paper in the internal and external evaluation. Failed candidates will be permitted to appear under the same syllabus for 3 attempts including the first.

Internal assessment will be continuous and will be based on.

(1) Written tests	20
(2) Seminars Assignments, Field work etc.	5

Total for internal Assessment 25

**Written test:** There will be 3 tests conducted in the semester in the pattern of the University examination.

**Seminars:** The topics for seminar will be announced early to enable students to prepare for them by collecting data from different sources.

**Assignment and field work** will be based on units in the course, current developments related to topics in the syllabus, problems etc. in disciplines like Zoology, Botany, Commerce etc. field work may be included for assessment under assignment.

Project work will be part of the course in Physics and is assessed internally.

At the end of every test or assignment the marks will be announced on the Notice Board. The valued answer papers will be distributed to the students and collected again and kept in the department for verification if necessary. The student if not satisfied, can ask for revaluation within two days after announcement of marks. Such requests should be made to the Head of the Department and the review cell of the concerned department shall consider the case. The College review cell will review the internal assessment of all departments in a College and the University Semester Committee will review the evaluation procedure of the College.

In view of the continuous and periodic evaluation in internal assessment being important, students are advised to be prompt and regular from the very beginning to reap the fruits of the semester system. In all your problems in your study, your teacher will be willing to guide you and help you.

### Tests and College Examination

Periodical tests will be conducted for all classes in the various disciplines. Attendance is compulsory for all tests and examinations.

Periodic tests and assignments are integral parts of internal assessment in the Semester System.

Progress reports will be sent to the parents, periodically to enable them to know the progress of their works.

Parent or guardian can meet the tutors concerned to discuss the progress of their wards.

### Special Coaching Classes

Special coaching classes are arranged for the weak students. Students are expected to avail this facility offered by College.

Students requiring private, Personal tuitions should apply to the Principal through their tutors. The Principal will advise and authorise private tuitions by concerned teacher. No teacher in the College will undertake private tuitions without specific permission from the principal, as per University rules.

### Student Counselling and Vocational Guidance Centre

*(Staff Adviser.- Prof. C. J. V. Joel Singh)*

There is a student counselling and vocational guidance centre to assist students in overcoming academic, social, personal or emotional problems. It aims to help students adjust themselves with the demands of College life and acquaint themselves with the various resources available in the College and through the College. It helps students develop life goals that will be challenging to their innate talents, capabilities, and aptitudes.

The student counsellor is a willing friend, guide and well wisher in whom the student can confide absolutely. He will be always helpful to students to overcome their problems or difficulties.

The vocational guidance centre also provides a separate reading room, wherein the scope for employment or for higher studies for the students of various disciplines will be available. This centre also aims to keep contact with organisations to find opportunities for employment or development of students.

All students can use the facility available in the centre.

### **Student Aid fund**

*The student aid fund* is built up by the student aid fee of Rs. 2/- collected from each student and the matching grant from the University Grants Commission. This will be available in the form of cash for poor deserving students to meet examination fee, a small part of tuition fee, cost of specific books essential for their study, clothing or medical expenses.

Meritorious but poor students who wish to avail of this fund, can apply to the principal through their group tutors. Based on the recommendations of the tutor and the advice of the advisory body consisting of student and staff representatives the Principal will administer the fund. In addition to the financial status and academic performance, the conduct and character of the beneficiary will be important in selection of students to be paid from the above fund.

---

### **Free Mid-Day Meal Scheme**

With the financial assistance contributed monthly by the staff and donations from the students and well

wishers, the College provides free mid-day meal on working days to a limited number of really needy students. There is a large number in this category. But paucity of funds limits the number of students served. Any amount of help will be welcome from any source to meet this peculiar need of the unfortunate many of this area.

### **Book Bank**

With the financial assistance from the U. G. C. and matching contribution by the College, a Book Bank is being built up for each discipline. The Book Bank consists of text book necessary for the various classes. Students, who are financially unable to buy all the books required, can borrow books from the book bank. Since the number of copies in each book may not be enough to cater to all the students, students are advised to allow the very poor students, to avail this facility.

Students who complete the course and are willing to part with their books, are invited to donate their books to the Book Bank to help more students.

Students are asked, not to misuse or write in the books borrowed from the Bank.

The books should be returned in the stipulated time or when called for.

### **College Hostel**

The College Hostel is run in a building inside the campus with limited accommodation. The Hostel is under the direct supervision of the Principal and Bursar.

Application for admission to the hostel must be made to the Principal in the prescribed form available at the Bursar's office.
