THE LORD'S PRAYER

Our Father which art in heaven,
Hallowed be thy name
Thy kingdom come.
Thy will be done in earth, as it is in Heaven
Give us this day our daily bread
And forgive us our debts,
As we forgive our debtors
And lead us not into temptation
But deliver us from evil;
For thine is the kingdom, and the power
And the glory, for ever Amen.

COLLEGE SONG

WE LOVE THIS COLLEGE WE LOVE HER TRUE

We love this College we love her true,
This Nesamony Memorial Christian College Marthandam
We're proud of her name and we're proud of her fame
So join together and praise her name - For

We are one with the College,
That stands high, that stands very high,
We are one with the College
That stands high, for wisdom and purity.

We kneel to God when we start each day,
And seek His guidance to show the way - For
Wisdom comes with the fear of God
And this she taught us, let us praise her loud - For

With diligence do we strive so hard
To dispel darkness of ignorance
Good men of our land, we're taught to be
I'll carry her banner for all to see - For

With **FAITH** in God we do look ahead,
His grace will bless all over **ENDEAVOUR**
In wisdom and **POWER** we are sure to grow
God's mercy is great and this We know - For

1. BRIEF HISTORY OF THE COLLEGE

Nesamony Memorial Christian College is a prestigious academic and research institution that caters to the students' academic and personal development, by providing a highly professional and open-minded education rooted in ethics and values. The college, sprawled in a lush green campus, has an excellent infrastructure, library, indoor-outdoor stadium, hostel and internet facilities. The college offers science, humanities, commerce and management disciplines with well-equipped department libraries and classrooms. We have dedicated and erudite faculty members who help in grooming the students to become world-class citizens in this globally competitive world.

The college is affiliated to Manonmaniam Sundaranar University, Tirunelveli, Tamil Nadu and is recognised under 2(f) and 12(B) by the University Grants Commission (UGC), New Delhi.

The 32 acres of the land where the college is located was bought by Rev. James Emlyn, a missionary from Newcastle UK of the London Missionary Society. Rev. Robert Sinclair, who succeeded him in 1910, built a bungalow and started a Boarding School.

After independence, the Kannyakumari Diocese of the Church of South India took into consideration the long-felt need for a College at Marthandam and decided to begin a Christian college. The Executive Committee of the Diocese, which met on 04-01-1964, entrusted the responsibility of raising funds for the buildings to an ad-hoc committee consisting of Mr. N. Dennis, Ex. MP(Convener), Mr. G.A. Ambrose, Mr. J. Nesamony, Mr. P.S. Wilson and Rev. M. Amos. The Diocese set apart the 32 acres as an endowment to fulfil the University requirement. The public, in and around Marthandam, the parents, students and members of the teaching and non-teaching staff took a keen interest in the growth of the College and contributed substantially at different stages in its development.

The Pre- University Class (PUC), with the permission of the Madras University, was started in 1964 with 13 teaching staff members and 171 students. The College was inaugurated on 6th August 1964 by the then Bishop Rt. Rev. I.R.H. Gnanadason with Dr. John D.K. Sundar Singh as the first Principal. Initially, the College was started as a men's

College and it became a Co-Educational institution in the year 1977. The College introduced undergraduate courses with Mathematics, History and Economics as major subjects in the year 1965. In 1966, the college was affiliated with Madurai University which was later renamed Madurai Kamaraj University.

The College became a Post Graduate Institution in the year 1980-81 with the introduction of M.Sc. in Physics. A Ph.D. Research Centre in History was started in the year 1997 in the regular scheme. The College now offers 18 U.G., 15 P.G, 12 Ph.D. & 12 Certificate Courses. Currently, the college has about 3159 students, 198 teaching, 72 non-teaching staff members and a chaplain.

The College was affiliated to Manonmaniam Sundaranar University, Tirunelveli in 1991. God has guided and blessed the college tremendously. With faith in the divine guidance and co-operation from the public, the College will continue to shine as a fruitful centre of learning. The College was renamed as Nesamony Memorial Christian College in recognition of the yeoman services rendered by the late Thiru. A. Nesamony, B.A., B.L., M.P. to the Kanniyakumari Diocese of the Church of South India in 1984. The College has been Re-accredited with B++ Grade by the NAAC for the period 2025-2030. The college is ranked in the 63rd position in the NIRF rankings 2025. A number of innovative programmes and projects are being carried out in this college to lift the downtrodden people of this area.

EMBLEM

The emblem of our college bears a Cross, a Church, a Palmyra tree, a Star, a Book and a Lotus flower. The Cross and the Church identify the college as a Christian institution and signify sacrifice, love and holiness. The Palmyra Tree, a distinct tree once the sustenance of this region symbolises the productive nature of the institution. The guiding star at the top calls us to guide people towards light and knowledge. The open Book signifies the liberating nature of knowledge and the Lotus, our national flower, symbolises knowledge and wisdom, which the students acquire on campus.

Our Motto- FAITH, ENDEAVOUR, POWER - embraces all these features.

Mode of Election

The college, abiding by the rules of Manonmaniam Sundaranar University guidelines (No. MSU/A/CO.IN.EL/2007-08), has adopted an indirect election method for electing the office bearers and executive members of the Students' Union Council. Each class, including undergraduates, postgraduates, and M.Phil. students, elects a representative. These class representatives form the electoral college to directly elect the office bearers and executive members.

Under the proposed system, the apex body will be the "University Students' Union." The electoral college for the Union will consist of students' representatives selected from affiliated colleges and university departments, including a Chairman and Secretary. Additionally, there will be four office bearers as in colleges, and two student representatives from each of the districts Tirunelveli, Tuticorin, and Kanyakumari, resulting in a total of six representatives for the Executive Committee.

Eligibility to Contest :

1. The student must be a regular full-time student.
2. The student should have cleared all papers until the date of nomination.
3. The student must have maintained a minimum attendance of 75% in the previous semester.
4. Contesting candidates should not have any criminal charges or affiliation with any political or communal organizations.
5. The candidates should not have any charges of indiscipline.

8. First-year undergraduate and postgraduate students are not eligible to become members of the Executive Committee.
9. The elections for Chairman, Vice-chairman, Secretary, Joint-Secretary, and student members of the Executive Committee will be conducted by the President or an Advisor appointed by the President. Generally, the elections will be held using a secret ballot.
10. A student who is identified as guilty and fined Rs. 50/- will be ineligible to participate in any of the Students' Council elections.

Grievance Cell

The office-bearers of the Students' Council must fully cooperate with the Principal and Staff of the College in promoting intellectual and cultural activities among students.

The Students' Council office-bearers shall assume responsibility for not engaging in any acts of indiscipline that disrupt normal campus life.

The office-bearers should not consider it their duty to represent matters or causes that fall outside the purview of the Council.

Office-bearers may make representations to the Principal only on matters of general interest to the students, not individual cases.

The Council office-bearers shall not directly or indirectly interfere in disciplinary matters and actions, as these are the responsibilities of the Principal.

12. CO-CURRICULAR ACTIVITIES

The college offers Curricular, Co-curricular and Extracurricular activities to enhance campus life and mould students into mature individuals. Students can enrol their names in committees related to their interests, whether academic, cultural, sports-oriented, or community service-focused, enabling them to pursue their passion and develop leadership skills. NSS/NCC/YRC/SPORTS are part of the curriculum and it is mandatory for the students to choose one from the above under PART V. The College offers a range of activities, including the following:

(a) National Cadet Corps (N.C.C.) (Company III)

The 11th battalion company of the NCC, with its headquarters in Nagercoil, has a strength of 160 cadets. This mixed battalion comprises both boys and girls and has been operational for the past five years. The primary aims of the N.C.C. include:

The main objective of the N.C.C. is to instil in the youth the qualities of character, courage, comradeship, discipline, leadership, secular outlook, a spirit of adventure, sportsmanship, and the ideals of selfless service. Through the cultivation of these values, the N.C.C. aims to shape the youth into responsible citizens who can make positive contributions to society.

NCC also aims to develop a well-prepared and motivated group of young individuals who can take on leadership roles in different fields, including the armed forces. The idea is to make them consistently available for national service whenever the need arises.

The N.C.C. training typically spans two years, although it may be extended for an additional year in exceptional cases. The training encompasses a range of activities, including drill exercises with or without arms, weapon training, map reading, bayonet fighting, rifle and light machine gun firing, elementary military field tactics, and the study of army organisation and related subjects. Certain cadets are chosen to participate in special events such as the Annual Training Camp, Summer Training Camp, Advanced Leadership Training Camp, Republic Day Parade, Mountaineering Courses, and Attachment to Army Units, providing them with unique opportunities for further development.

There will be a total of 40 parades per year, and it is mandatory for all cadets to attend them. Punctuality, maintaining a neat appearance, and actively participating with discipline are expected from every cadet. Based on their proficiency, cadets will have the opportunity to appear for B and C Certificate examinations.

(b) National Service Scheme - N.S.S.

There are six N.S.S. units, namely Unit Nos. 82, 83, 135, 139, 188, and 189, operating under the Youth Welfare Department of Manonmaniam Sundaranar University. Each unit is composed of 100 authorised student members. The objectives of the N.S.S. are as follows:

- To work with and among people.

- To engage in creative and constructive social action.

- To make National Service more meaningful and purposeful and integrate it with the curriculum.

- To provide students with an opportunity to participate in nation-building tasks.

- To instil a sense of national consciousness in the minds of the students.

Enrolment in the N.S.S program is open to degree students with a positive attitude and a genuine interest in working with and for the underprivileged. It is important for the students to have a clear understanding of the objectives and responsibilities associated with the program. The enrolment process will be completed before 1st August of every academic year.

A college-level N.S.S committee is established under the chairmanship of the Principal, with a designated Programme Officer serving as the Convenor. The committee consists of no more than 10 members, including senior staff members, students, and community members interested in the program. This Advisory Committee collaborates to plan the activities and programs for the academic year, and a minute book is maintained to record the proceedings of the committee.

The N.S.S. program officers will provide further details regarding the projects and programs.

Unnat Bharat Abhiyan (UBA) - Village Adoption

As part of the Unnat Bharat Abhiyan (UBA), NMCC has adopted the villages of Alancode near Vavarai, Kannanvilai near Kollenchi, Mankalakuntu near Midalam in Killiyoor Taluk, Kumarankudi, and Surulacode near Thiruvattar in Thiruvattar Taluk. These villages face significant social and economic challenges and are considered underprivileged in terms of development. The objectives behind adopting these villages are as follows:

- To conduct community development programs.

- To encourage adult education and literacy programs.

- To conduct environmental awareness programs.

- To conduct social work camps with the help of NGOs.

- To make the people aware of government welfare schemes.

- To organise health and hygiene awareness camps.

- To provide education to the local people on numerous rights.

- To create awareness among the people about consumer problems.

(c) Youth Red Cross

Youth Red Cross unit is a platform that allows young students to play an active role in humanitarian efforts. The objective is to expand their knowledge and develop skills that will be beneficial not only for their academic journey but also for their future careers as responsible global citizens.

The Youth Red Cross' primary objective is to educate and train student volunteers to provide humanitarian services and address the health needs of the sick and suffering. Furthermore, it encourages students to donate blood voluntarily. The aim is to involve college students in humanitarian activities, develop a sense of volunteerism, and increase awareness about health and social issues.

YRC conducts health awareness programs and workshops that cover topics such as sanitation, hygiene, nutrition, and disease prevention. The benefits of these initiatives extend beyond students to the wider community. Their mission is to educate both students and the community by organizing awareness campaigns on significant social issues, which may include topics such as HIV/AIDS prevention or environmental conservation. YRC provides college students with essential first aid training, which will enable them to respond effectively to medical emergencies in their communities and beyond.

(d) Sports

Sports help students to stay physically fit and healthy. Students can improve their skills for their personal growth and future career opportunities. They promote physical and mental well-being, encourage social interaction, and contribute to personal development. The sports committee plays a crucial role in boosting the college's sports culture. They organise a variety of events, inter-college tournaments, and friendly matches. These events not only let students display their skills and strengthen bonds within the college but also provide chances to represent the college at the university level, offering greater recognition and opportunities in the sports world.

Enrolment

Enrolment is open to the UG students under Part V in the curriculum. It is important for the students to have a clear understanding of the objectives and responsibilities associated with the programmes. The enrolment process will be completed in the month of August. A college-level committee is established under the chairmanship of the Principal, with a dedicated team of staff members.
