From the Bishop-Correspondent

I am happy to introduce the newsletter of the Nesamony Memorial Christian College, Marthandam. I take this opportunity to express my appreciation to the "Newsletter Committee" which had strived hard to bring out this issue of the newsletter / journal and I am sure that by this they would be ushering in a new era of academic activism in the campus which will inspire the student community as well as the faculty to achieve more. I believe that this newsletter reflects the current excitement and activity

within the Nesamony Memorial Christian College, Marthandam, and depicts the achievements, rewards and recognitions which would infuse determination and perseverance to sustain the spirit and contribute more in the coming days. I hope you will enjoy this edition and look forward to your feedback.

Rt. Rev. Dr. G. Devakadasham

From the Principal

The Newsletter committee of Nesamony Memorial Christian College has done us proud by publishing an in-house journal. It is indeed a laudable attempt that will propel the college to newer heights and infuse the spirit of academic excellence in both the taught and the teachers. A group of teachers has strived to sew the contents together to make it an informative record. It will enthuse everyone and make them eagerly wait for the next issue. I believe this has to be nurtured with care. I wholeheartedly extend my appreciation to all who are behind this remarkable endeavour. I wish and pray for the success of every such future plan.

Dr. K. Paul Raj
