## ABOUT COLLEGE

Nesamony Memorial Christian College (NMCC), established in 1964 and located in Marthandam, Kanyakumari District, Tamil Nadu, is a well-established arts and science institution administered by the Church of South India (CSI) Kannyakumari Diocese and affiliated with Manonmaniam Sundaranar University. The college recently secured a 63rd rank in the NIRF All India Rankings (2025), reflecting its quality of education. NMCC offers a wide range of undergraduate, postgraduate, research, and certificate programs across science, arts, commerce, and management streams, grounded in value-based and skill-oriented education. It is recognized under Sections 2(f) and 12(B) of the UGC Act and places strong emphasis on both academic excellence and personal development. The college, sprawled in a lush green campus, has an excellent infrastructure, library, indoor-outdoor stadium, hostel and internet facilities, fostering a vibrant and inclusive learning environment. Dedicated faculty members support students in becoming competent and socially responsible global citizens. NMCC also focuses on uplifting students from rural and underprivileged backgrounds, offering scholarships and support services to enhance access to higher education.

## ABOUT THE INSTITUTION'S INNOVATION COUNCIL(IIC)

The Institution's Innovation Council (IIC) is a dynamic initiative under the Ministry of Education's Innovation Cell to cultivate a culture of innovation, creativity, and entrepreneurship among students and faculty. It aims to build a vibrant local innovation ecosystem on campus, support student start-ups, scout and pre-incubate ideas, and enhance problem-solving and cognitive abilities. The IIC organizes innovation and entrepreneurship activities, workshops, seminars, hackathons and industry interactions, recognizes innovative projects, and creates mentoring and networking opportunities to help young innovators transform ideas into impactful solutions.

## ABOUT THE WORKSHOP

This workshop is designed to provide participants with practical and innovative insights into research methodology combined with hands-on training in SPSS. The programme focuses on research design, data collection, and statistical analysis using SPSS to enhance participants' ability to conduct systematic, ethical, and data-driven research. It aims to strengthen analytical skills and support effective preparation of research projects, dissertations, and scholarly publications.
